NOTES

1. Provide dimensioned plot plan diagramming the area, which the display is to be held. Plot plan shall include the placement of devices, location from where operator will discharge fireworks, location of any performers, location of the audience and the lines behind which the audience will be restrained. Additionally, show the location of highways, overhead obstructions, nearby trees, telephone lines and other lines of communication. When necessary, a sectional drawing shall be provided.
2. Include complete description of all fireworks to be displayed, specifying if single or multiple break shells. If set pieces are used, they shall be described in detail. Provide complete description of additional items to be displayed.
3. Insurance Required: An original Certificate of Insurance must be filed with this application, which complies with the following requirements (refer to Section 993, Title 19 and 12611, California Health & Safety Code):
 - The deductible (if any) may not exceed fifteen thousand dollars (\$15,000.00). Limits of bodily injury and property damage may be not less than one million dollars (\$1,000,000.00) combined single limits for each occurrence annually.
 - The licensed pyrotechnic operator supervising/discharging the display, City of Lake Elsinore, Lake Elsinore Fire Department, Riverside County, Riverside County Fire Department, California Department of Forestry and Fire Protection and the State of California, its officers, agents, employees, and servants must be included as additional insured's.
 - A statement must be included that the insurer will not cancel the insured's coverage without 15 days prior written notice to the State Fire Marshal and the Riverside County Fire Department.
 - The City of Lake Elsinore / County of Riverside / Fire Department shall not be responsible for any premiums or assessments involving the policy.
