Community Facilities District No. 2003-2  
Improvement Area D (Canyon Hills)  
Local Agency Revenue Bonds 2014 Series A  
Special Tax Bonds 2016 Series A

*Project Description*

On January 13, 2004, the City formed Community Facilities District No. 2003-2 (the "District"). The District originally consists of four improvement areas (Improvement Areas A through D). Each Improvement Area has a separate Rate and Method of Apportionment of Special Tax approved by the City and the qualified electors within each respective Improvement Area. The rate and method of apportionment was amended in 2009. On April 12, 2016 the City annexed Improvement Area E, consisting of 74 detached single family residential properties into the District.

The District is comprised of a portion of Canyon Hills, a planned residential community in the western portion of Riverside County (the "County") covering approximately 2,050 gross acres. The District includes the development of 50 planning areas containing a total of approximately 1,022 net acres. The areas designated for single family dwelling units contain approximately 780 acres. The area designated for multi-family dwelling units including detached condominiums contains approximately 93 acres. The area designated for commercial uses consists of approximately 31 acres.

Improvement Area D includes Planning Areas 25, 28, 31, 32, and 37 of the Canyon Hills Specific Plan. Development activities have occurred or are currently occurring in Planning Areas 25, 28, and 32.

*Location*

Canyon Hills is located in the southeast portion of the City, to the south of the City of Canyon Lake. Improvement Area D is located south and southeast of Canyon Hills Road. The intersection of Canyon Hills Road and Railroad Canyon Road is approximately 2-1/2 miles east of the Corona Freeway (I-15).

*Building Permit Status*

#### *Foreclosure Covenant*

The District covenants with and for the benefit of the Owners of the Bonds that it will review the public records of the County of Riverside not later than July 31 each year and commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$10,000; parcels delinquent in the payment of three consecutive installments of Special Tax; parcels with Special Taxes that represent more than 5% of the aggregate Special Taxes levied with the District; or if there has been a draw on the funds on deposit in the Reserve Account and if the delinquency remains uncured.

The District is may permit, in its sole and absolute discretion, property with delinquent Special Taxes to be sold for less than the amount specified in Section 53356.5 of the Mello-Roos Communities Facilities Act of 1982 (the "Act"), but not for less than the amount of delinquent scheduled principal and interest with written consent of the Bond Owners, if it determines that such sale is in the interest of the bond Owners.

The District is authorized under the Fiscal Agent Agreement to use amounts in the Special Tax Fund to pay costs of foreclosure of delinquent Special Taxes.

The District may forgive all or any portion of the Special Taxes levied on any parcel in the District so long as the District determines that such forgiveness is not expected to adversely affect its obligation to pay principal and interest on the District Bonds.

No assurances can be given that the property subject to foreclosure and sale at a judicial foreclosure sale will be sold, or, if sold, that the proceeds of such sale will be sufficient to pay any delinquent Special Tax installment.

The property in the District is subject to several overlapping liens. A default in the payment of Special Taxes in the District is also likely to result in a default in the payment of other overlapping liens. Since the overlapping liens are on a parity with the Special Taxes, the foreclosure of the lien of the Special Taxes will extinguish the lien of the other overlapping special districts.

As a result of the foregoing, in the event of a delinquency or nonpayment of one or more Special Tax installments there can be no assurance that there would be available to the District sufficient funds to pay the principal and interest on the District Bonds.

#### *Collection and Foreclosure Actions (14A Section 4f)(16A Section 4b)*

The Act provides that delinquent property may not be sold at a judicial foreclosure sale for less than the amount of the judgment plus past judgment interest and authorized costs without the consent of the owners of 75% by value of the Outstanding Bonds.

In the event of a failed sale, the property owner retains title to the Property. The judgment remains, however, and will be updated from time to time. When the CFD Administrator believes that there is a reasonable possibility that the foreclosure sale might be a successful sale, the property can be re-noticed for sale. In the event a buyer comes forward prior to that time with a bona fide offer at a price below the current requirements of the law, the County will evaluate the possibility of taking that offer to the bondholders for approval.

**There are no foreclosure actions pending at this time**

#### *Prepayments (14A Section 4i)*

There have been no prepayments of the Special Tax for the prior Fiscal Year.
