Community Facilities District No. 2006-1
Improvement Area CC (Summerly)
Special Tax Bonds, Series 2016A

Project Description

The District was formed in 2006 and initially consisted of three Improvement Areas; in 2011, the City reconfigured the District into six Improvement Areas (Improvement Areas A, B, CC through FF), and one remainder Improvement Area (Improvement Area 1), which consisted of nine existing homes which prepaid its Special Taxes. The resolution for dissolving existing improvement areas and designating new ones (including Improvement Area CC) was adopted in the spring of 2014. In total the Summerly Improvement Area CC development is expected to include 142 homes.

Location

The boundaries of the District are included within the development generally known as Summerly. The primary entrance to the District is located at the intersection of Village Parkway with Diamond Drive approximately 0.8 miles from the I-15 freeway. Although not in the District, the Links at Summerly, a par 72 golf course, is part of the greater Summerly development. The Lake Elsinore Diamond Stadium is located adjacent to the Summerly development across Diamond Drive.

Series 2016A Bonds (Section 4b)

The Series 2016A Bonds (the "Bonds") in the amount of \$3,000,000 were issued June 29, 2016, with interest rates ranging from 2.00% to 3.25%. Interest is payable semi-annually on March 1 and September 1. The date for the final maturity of the Bonds is September 1, 2046. The principal amount of the Bonds Outstanding as of September 2, 2017 was \$2,955,000.

The Bonds were issued to provide the District with the funds necessary to finance public infrastructure and capital fees related to the Summerly development; and to fund the interest on the Bonds until September 1, 2016.

CFD No. 2006-1 IA CC has covenanted to not issue the remaining unissued bonds authorized for the District.

Rate and Method of Apportionment (Section 4b)

There were no changes to the Rate and Method of Apportionment during Fiscal Year 2016-17.

A special tax is levied each year to pay the principal and interest obligations on the Bonds of the District. The amount levied each year is determined by the special tax formula and can vary from year to year, but shall not exceed the maximum authorized (or permitted) special tax rates. The amount levied for the 2017-18 tax year was \$162,984.58.

The Special Taxes applied for the 2017-18 tax year are:
