Garden Information & Rules

1. The City of Lake Elsinore will provide access to the garden, water, and administrative assistance.

2. Fees help offset general garden facility costs (e.g. water, maintenance, and repairs).

3. Access to the garden is only available to plot holders.

4. Invasive or illegal plants (including cannabis) are not permitted.

5. Plots shall be well-maintained (pruning/weeding/watering) year-round. If unmaintained, plot will be deemed an “inactive plot” and a written notice will be given to the plot representative. If not maintained within 15 days, the plot will be relinquished back to the City.

6. Cleaning/weeding the paths between garden plots is adjacent gardener’s responsibility.

7. Gardeners are responsible for watering their own plots.

8. Each gardener is responsible for turning off the water and replacing (and cleaning) any tools used before leaving the garden.

9. “Helping yourself” to other gardener’s crops or items within another’s plot is prohibited.

10. Removal of plants, equipment or other City property off the premises of the garden is prohibited.

11. Pets are prohibited.

12. If any repairs are needed, please notify the City immediately at (951) 674-3124 ext. 265.
