

# Notice of False Alarm

## City of Lake Elsinore

A first responder has responded to a false alarm at this location. **Ordinance 2019-1408 pertaining to False Activations of Fire, Burglary and Robbery Alarms allows the City to assess fees for costs incurred when responding to excessive false alarms.** False alarms can create a nuisance to the peace and safety of the community and cause excessive and unnecessary use of police and fire resources in responding to assumed emergencies.

False Alarms are deemed excessive and an assessment fee may be charged by the City via mail in the event of three (3) or more false alarm responses by Police or Fire services to a location in a twelve (12) month period. Assessment fees are calculated according to the hourly rate and cost to City for Police and Fire Services. The City will receive a copy of this notice to determine when and/or if there has been an excessive number of false alarms in the last 12 months.

The following false alarm has occurred at this location:

**FIRE DEPARTMENT:**
