**FOR IMMEDIATE RELEASE**

## STATE ROUTE 74 SAFETY PROJECT WITH ADA UPGRADES IN LAKE ELSINORE

**RIVERSIDE**— The California Department of Transportation (Caltrans) is working on a safety project to upgrade sidewalks and ramps along State Route 74 (SR-74), also known as Riverside Drive and Grand Avenue, in Lake Elsinore. This project will reconstruct 21 curb ramps, driveways and other pedestrian facilities at various locations from just east of Lakeshore Drive to Macy Street to bring existing facilities up to the appropriate American with Disabilities Act (ADA) standards. The work is only on westbound SR-74 and working hours are 7:30 a.m. to 3:30 p.m. The \$670 thousand project is estimated to take about 60 working days, weather permitting. The contractor is Alfaro Communications Construction Inc. of Compton, CA.

**Reminder:** From Monday, April 8 to Friday, April 12, 2019, the Albertson's driveway at 30901 Riverside Drive / SR-74 is being upgraded. Access to Albertson's and to Riverside Drive will be available with one half of the driveway being worked on at a time. Access to Albertson's from Lakeshore Drive is not affected.

**Know before you go!** To stay on top of roadwork in the Riverside County follow Caltrans D8 on Twitter at @Caltrans8 and view traffic conditions at <http://quickmap.dot.ca.gov>. Quickmap is also available as a free smartphone app.
