Period Covered by a Statement:

The "period covered" by a campaign statement begins the day after the closing date of the last campaign statement filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee's first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

Date of Election:

If you are filing this statement as a preelection statement in connection with an election, enter the date of the election.

Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is "controlled" if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

Small Contributor Committees

- This term is significant only if the committee makes contributions to candidates running for elective state office.

Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

Termination: A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination. Most officeholders must continue filing campaign statements until they have terminated all controlled committees and have left office.

Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State, enter "Not Yet Received." File Form 410 to obtain an I.D. Number.

Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee's Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

Instructions for Summary Page Campaign Disclosure Statement

CALIFORNIA
FORM **460**

The Summary Page provides an overview of the committee's financial activities and is completed for each filing.

Column A reflects activities during the current reporting period as reported on Schedules A through H. It is not necessary to attach a blank schedule if there has been no reportable activity during the period, but it is necessary to enter a zero or the word "none" on the appropriate line in Column A of the Summary Page.

Column B figures should reflect the cumulative total since January 1 of the current calendar year.* Add the totals from Column B of the committee's last campaign statement (if any) to the corresponding amounts in Column A. If this is the first report being filed for a calendar year, only carry forward the amounts reported on Lines 2, 7, and 9 of Column B (if any) from the committee's last statement. (Note: The amounts reported on Lines 2, 7, and 9 of Column B should be the same as the total outstanding amounts disclosed in column (d) of Schedules B, F, and H, respectively, of the current report.)

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried from the schedules to Lines 2, 7, and 9 of Column A may be negative numbers. In this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification

activities. Consult the FPPC Campaign Disclosure Manual for your type of committee for additional information.

Current Cash Statement:

Lines 12-16 of the Summary Page should accurately reflect your current cash position. Beginning and ending cash balances should include the total amount of funds in your campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc. (Officeholders and candidates are subject to bank account restrictions, and all committees should read the FPPC Campaign Disclosure Manual regarding appropriate uses of campaign funds.)

Line 12 (Beginning Cash Balance) must be the same as the ending cash balance reported on Line 16 of your previous statement's Summary Page. If this is your first campaign statement, enter zero on Line 12.

Line 16 (Ending Cash Balance) is the total of Lines 12, 13, and 14, **minus** Line 15.

If you are filing a termination statement, Line 16 must be zero.

Cash Equivalents:

"Cash equivalents" include investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others (from Line 7 of Column B of the Summary Page). Investments that can be readily converted to cash, such as certificates of deposit or money market funds, should be included in the cash

on hand figures on Lines 12 and 16 of the Summary Page.

Summary for Primary and General Elections (Lines 20 and 21):

This section is only for committees that are:

- Controlled by a candidate who is being voted on in both the state primary and general elections (does not apply to controlled ballot measure committees); or
- Primarily formed to support or oppose candidates being voted on in both the state primary and general elections.

Complete this summary on the preelection and semi-annual statements for the general election, covering periods during the last six months of the year (July 1 – December 31).

Expenditure Ceiling Summary for State Candidates (Line 22):

Candidates for elective state office who have accepted the voluntary expenditure ceiling for a particular election must disclose the total amount of expenditures made through the end of the reporting period that are subject to the expenditure ceiling for the election. Report the date of the election and total amount expended for that election. Report totals for the primary and general elections separately. This information is no longer required if the expenditure ceiling has been lifted. (See FPPC Campaign Disclosure Manual 1.)

Payments Made**

Report payments on Schedule E (other than loans).

For each payment of \$100 or more made during the period, report the name and street address, city, state, and zip code of the payee or creditor, and the amount paid during the period. Payments of less than \$100 during the period are reported as a lump sum on Line 2 of the Schedule E Summary. However, if two or more payments under \$100 were made for a single product or service and the total paid during the period was \$100 or more, itemize the total amount paid during the period.

Report payments made on accrued expenses. Also report the required information on Schedule F.

Code or Description of Payment:

If one of the codes listed on Schedule E fully describes the payment, enter the code. A full description of each code is provided on the back of the Schedule E-Continuation Sheet. If none of the codes fully explains the payment, leave the "Code" column blank and enter a brief description of the goods or services purchased in the "Description of Payment" column.

Credit Card Payments:

Disclose the name, address, and amount paid to the credit card company during the period. Also disclose the name, address, amount paid, and code or description of payment for each vendor paid \$100 or more. You may disclose the vendor payments on Schedule E or Schedule G.

Payments by Agents and Independent Contractors:

When an agent or independent contractor (e.g., campaign worker, advertising agency, campaign management firm) makes payments on your behalf ("subvendor payments"), disclose the name, address, amount paid, and code or description of payment for each vendor paid \$500 or more. Disclose payments to the agent or independent contractor on Schedule E. You may disclose the subvendor payments on Schedule E or Schedule G.

Loans:

Report interest paid on loans received on Line 3 of the Schedule E Summary (from Schedule B, Part 1, Column (e)).

Report payments made on loans received on Schedule B and loans made to others on Schedule H. Do not report on Schedule E.

Savings Accounts/Certificates of Deposit/Money Market Accounts:

Do not report transfers of campaign funds into savings accounts, certificates of deposit, money market accounts, or the purchase of any other asset that can readily be converted to cash on Schedule E. Continue reporting these amounts as part of your cash on hand on the Summary Page.

Candidates:

- Candidates must briefly describe the political, legislative, or governmental purpose of an itemized expenditure for gifts, meals, and travel payments. FPPC Regulation 18421.7 sets out the requirements.
- Candidate controlled ballot measure committee funds may only be used to make payments related to a state or local measure or potential measure (including qualification activities) anticipated by the committee. See FPPC regulation 18521.5.
