Community Facilities District No. 98-1
(Summerhill)
Local Agency Revenue Bonds 2013 Series C

Project Description

The District was formed for the purpose of constructing and acquiring certain public improvements needed to meet increased demand upon the City of Lake Elsinore as a result of development within the boundaries of Community Facilities District No. 98-1 and include grading, street improvements, domestic water, sanitary sewer, and parks and recreation facilities. Prior to 2004 this District was designated Communities Facilities District No. 91-2.

Location

The District is located to the northeast of the intersection of Railroad Canyon Road with Interstate 15. Summerhill Drive, which intersects with Railroad Canyon Road, provides the primary access to the area within the District.

2013 Series C Bonds (Section 4a)

The 2013 Series C Bonds (the "Bonds") in the amount of \$13,615,000 were issued July 11, 2013, with interest rates ranging from 2.00% to 5.25%. Interest is payable semi-annually on March 1 and September 1. The date for the final maturity of the Bonds is September 1, 2033. The principal amount of the Bonds Outstanding as of September 30, 2019 is \$10,590,000.

A portion of the proceeds of the Bonds were used to refund the Lake Elsinore Public Financing Authority 2003 Local Agency Revenue Bonds, Series H and to acquire the Bonds.

There are no remaining unissued Bonds authorized for the District.

Rate and Method of Apportionment

There were no changes to the Rate and Method of Apportionment during Fiscal Year 2018-19.

A Special Tax is levied each year to pay the principal and interest obligations on the Bonds of the District. The amount levied each year is determined by the Special Tax formula and can vary from year to year, but shall not exceed the maximum authorized (or permitted) Special Tax rates. The amount levied for the 2019-20 tax year was \$1,150,553.94.

The Special Taxes from this District are apportioned between two classes of property currently existing in the District. Category III is property for which a building permit has been issued and Category II is property which has a final map recorded but no building permits. Currently, the Tax Liability is fully satisfied by the Special Tax levy on Category III property.
