

LET'S TALK LAKE ELSINORE

LAKE ELSINORE AT WORK.

WE WANT TO HEAR FROM YOU.

This year, the City of Lake Elsinore conducted a Community Satisfaction Survey to hear your feedback on City service needs and priorities. Many residents responded that they are satisfied with their quality of life, but are concerned about maintaining essential City services such as public safety and public works services. Now, we want to hear from you about your City service priorities! Let's Talk Lake Elsinore!

We will review all comments to ensure that the City continues to address the community's priorities in its effort to deliver responsive services to you. Please review the following City services and rank them in importance from 1-7, with 1 being the most important.
