Full Closure for Emergency Project on State Route 74 (Ortega Highway)

RIVERSIDE – The California Department of Transportation (Caltrans) will install permanent rock slope protection as part of the slope stabilization work on State Route 74 (SR-74) in Lake Elsinore. On Saturday, February 8th and Sunday, February 9th, there will be a full highway closure that will begin at 6:00 a.m. and conclude at 6:00 p.m. each day, weather dependent. A hard closure will be set up from postmile 7.0 to postmile 11.8. No traffic will be permitted to pass through the full closure. This weekend work will result in 95% completion.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Philip Havins at 909-383-6799 or TTY 711 by February 6, 2020.
