

# LAKE ELSINORE TOGETHER

LET'S TALK ABOUT THE FUTURE OF LAKE ELSINORE  
WORKING TOGETHER TOWARDS RECOVERY

*Dear Neighbor,*

Thank you for continuing to do your part to help our community get through these unprecedented times. Whether you're a first responder, health care provider, grocery store clerk, food service worker or if you're doing the most important thing we can do right now – simply staying home – you are helping our community towards recovery.

The health and safety of our residents remains our highest priority. Be assured in this rapidly evolving environment the City remains engaged, has a plan and is working daily to serve your needs while also planning for the future recovery that will be necessary.

We must work together to ensure our community is prepared for any future public health or catastrophic emergency including adequate, effective public safety, paramedic, fire, and 911 emergency response services.

Now, it is more important than ever that we hear from you what your priorities for our local quality of life, relief and recovery efforts. ***Please take a moment to give your feedback on the future of Lake Elsinore and complete a survey online at [www.lake-elsinore.org/letstalk](http://www.lake-elsinore.org/letstalk).***
