

Friends and fellow neighbors of Lake Elsinore, the time has come for a new voice to represent our community at City Hall. My name is Edwin Castro and I'm running to be that voice. With your vote, I am confident we will make a positive impact.

It's important that we elect representatives who promote diversity, inclusiveness, and most importantly take the time to listen to their constituents and work together to find solutions to the issues our neighborhoods may be facing.

I have had the distinct pleasure of speaking with many of you and I too share many of these same concerns affecting our community. Per our conversations, I pledge to focus my attention on the following:

- 1. Public Safety**
- 2. New Business Growth**
- 3. Fiscal Responsibility**
- 4. Addressing Homelessness**
- 5. Diversity and Community Engagement**

My commitment to you when I'm elected is to tackle these issues together. I will work hard to improve our quality of life in our community and I am confident that together we will make a positive change in Lake Elsinore.

I would appreciate your vote on November 3<sup>rd</sup>.

Thank you,

Edwin Castro
