

City of Lake Elsinore

Member of the City Council

Candidate Statement

Name: **Natasha Johnson**

Occupation: Credit Union Manager/ Business Owner

As a Business owner, I remain sensitive to the needs and current struggles of both small business and corporations. I work tirelessly as an advocate for our business owners and working families.

As a Councilmember, I have shown my commitment in supporting policies and actions that strengthen our local economy and bring new business to Lake Elsinore. Having served as a councilwoman, I am intimately aware of the fiscal challenges we as a City face. The city has faced much adversity over the last few years. This has afforded me the opportunity to lead and gain firsthand perspective in protecting and leading our community.

My focus and mission, to establish more sustainable Economic Development base, create MORE JOBS and show the nation that Lake Elsinore is a great place for our families to live, work and play.

I am extremely proud to serve our local organizations such as, Elsinore Womans Club, Cops for Kids, Boys Scouts of America, Operation Homefront, and Trauma Intervention Program.

I would be honored to have your support and your vote to serve as your Councilmember for the city I love, and proud to call my home.
