

LIVING THE DREAM EXTREME™

"I first came to Lake Elsinore to run a professional baseball club, my boyhood dream. Now, four years later, Anna and I have purchased our first home — another dream come true!

There's so much to see and do here — action sports on the lake, skydiving, soaring and motocross for the adventurous. There's historical old town and our many beautiful parks. We frequently grab lunch or dinner at one of the great eateries in town. Anna loves to shop the Outlets. I love all the new home improvement stores to find what I need to make our new house a home. Of course, there's the Diamond Stadium, a terrific place to bring the family for a concert or a ball game up close and under the stars!

With all Lake Elsinore has to offer, for me and my family, we're truly living the **Dream Extreme.**"
