HOUSING ELEMENT OVERVIEW

THE HOUSING ELEMENT

- One of seven State -Mandated Elements in City's General Plan.
- Provides goals, policies and actions to plan for existing and future housing needs for all segments of the population.
- In addition, identifies potential sites to accommodate the City's required Regional Housing Needs (RHNA) allocation.
- The current Housing Element covers the 2014 -2021 period, also known as the 5th cycle.

THE HOUSING ELEMENT

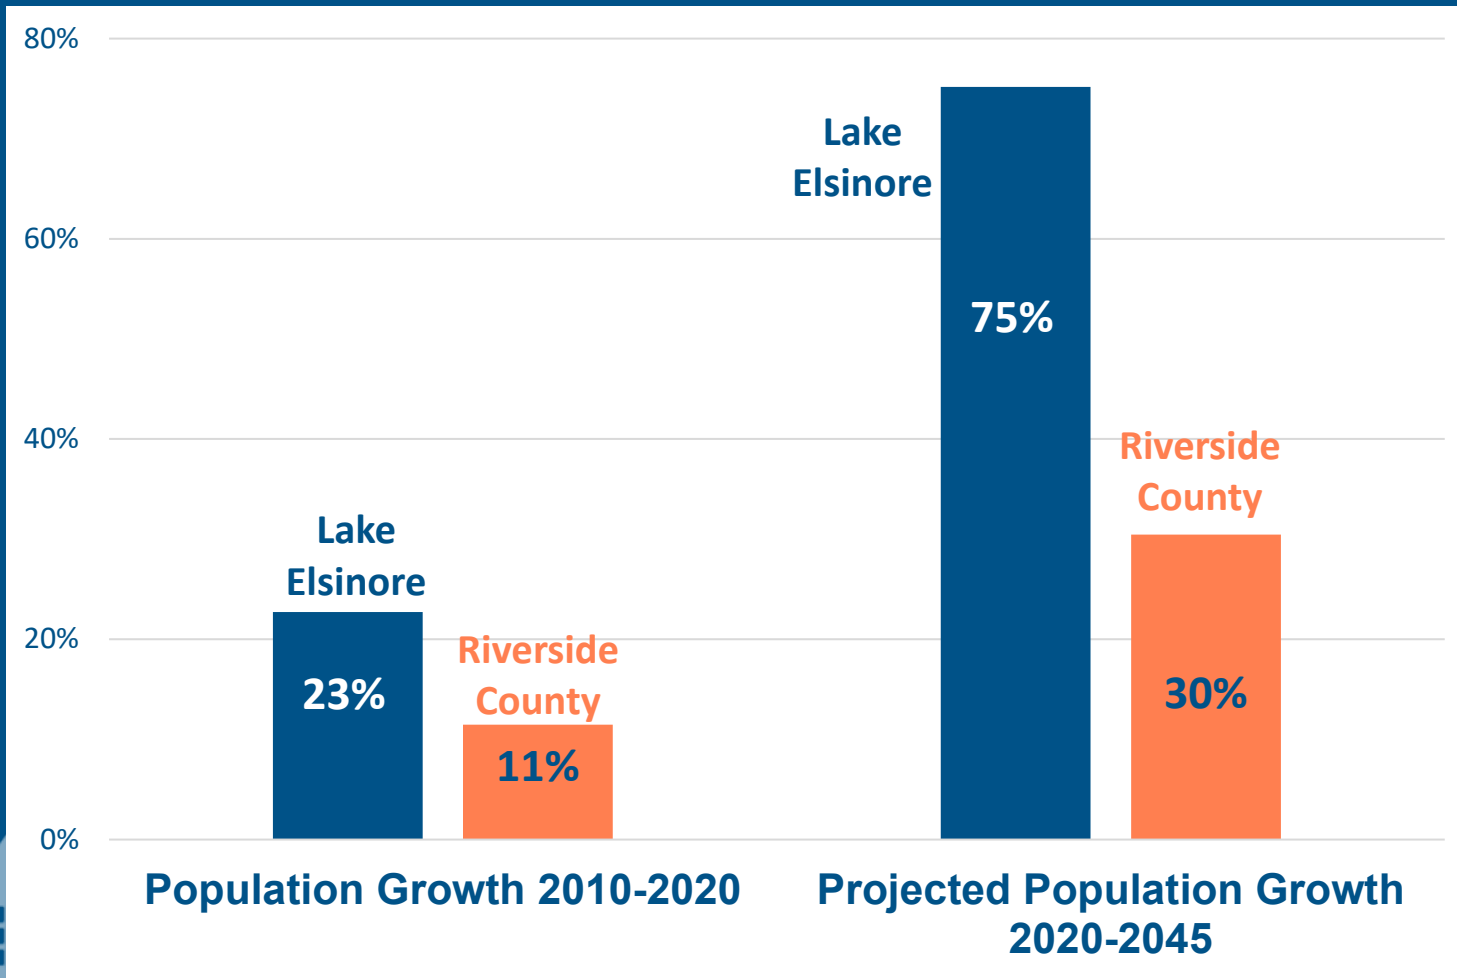

- State and City entering 6th cycle, covering a period between October 2021 and October 2029.
- Must be updated every 8 years by law to remain relevant and reflective of the community's changing housing needs.
- Must be reviewed and approved for compliance by the California Department of Housing and Community Development (HCD).
- Adoption is required by **October 15, 2021.**

WHAT IS IN A HOUSING ELEMENT?

KEY FINDINGS

- City has and grown faster than County and is expected to continue to grow faster.

Source: CA Department of Finance E-5 Population and Housing Estimates, SCAG 2016-2040 RTP/SCS Final Growth Forecast by Jurisdiction

KEY FINDINGS

Source: City of Lake Elsinore 2014 -2021 Housing Element and CoreLogic 2020 data, not adjusted for inflation

Median Sales Prices:

- Lake Elsinore:
 - 2010: \$189,500
 - 2020: \$409,750
- Riverside County:
 - 2010: \$200,000
 - 2020: \$410,000

KEY FINDINGS

Source: U.S. Census Bureau Comprehensive Housing Affordability Strategy (CHAS) data 2012 -2016

- Cost burden: Spend >30% of income on housing costs.
- Lower Income HHs
 - Earn 80% or less the Area Median Income for Riverside County (\$75,300 in 2020)

WHAT IS THE RHNA?
Regional Housing Needs Assessment

RHNA

- Regional Housing Needs Assessment

RHNA BY INCOME GROUP

- The RHNA is a goal for accommodating new housing need through land use policies and planning (zoning) – **it is not a construction obligation**

Income Category (AMI = Area Median Income*)	RHNA Allocation (Number of Units)	Percent of Total Allocation
Very Low Income (<50% of AMI)	1,878	28.1%
Low Income (50% to 80% of AMI)	1,099	16.4%
Moderate Income (80% to 120% of AMI)	1,134	17.0%
Above Moderate Income (>120% of AMI)	2,570	38.5%
Total	6,681	100%
“Area Median Income (AMI)” means the median household income based on household size of a geographic area of the state, as annually updated by HCD.		
*Riverside County’s AMI (Area Medium Income) for a family of four is \$75,300		

THE HOUSING ELEMENT DOES NOT...

- Require the City to build any housing units.
- Provide funding to assist the City in meeting or implementing the programs, policies or housing mandates.
- Authorize construction of any housing.
 - Projects still need to go through the application and design review process

MEETING THE RHNA
