Community Facilities District No. 90-2
(Tuscany Hills Public Improvements)
Special Tax Parity Bonds, 2007 Series A

Project Description

The following is a general description of the major public improvements approved to be financed:

Grading: The grading for the public streets, public access roads and public building pads within and in the vicinity of the District.

Street Improvements: The street improvements consist of the curb, gutter, sidewalk, lawn, street lights, storm drain and utilities in the public streets within and in the vicinity of the District.

Domestic Water: The domestic water system consists of three reservoirs, booster pumping stations, pressure reducing stations and the distribution mains and appurtenances in the public streets within and in the vicinity of the District.

Sanitary Sewer: The sewer system consists of gravity sewer, manholes, lift stations, force mains and appurtenances in public streets and public easements within and in the vicinity of the District.

Location

The District is located within the Rancho Laguna Redevelopment Project Area No. II in the City of Lake Elsinore (the "City"). It is generally located adjacent to the northeastern limits of the City. Summerhill Drive serves as the main access from the southwest. The development is bounded on the north by Greenwald Avenue. Greenwald Avenue intersects with Highway 74, approximately two miles north of the site, providing access to the cities of Perris and Riverside.
