## Community Facilities District No. 2003-2 Improvement Area A and C (Canyon Hills) Local Agency Revenue Bonds 2014 Series B

### *Project Description*

On January 13, 2004, the City of Lake Elsinore (the "City") formed Community Facilities District No. 2003-2 (the "District"). The District originally consisted of four improvement areas (Improvement Areas A through D). Each Improvement Area has a separate Rate and Method of Apportionment of Special Tax approved by the City and the qualified electors within each respective Improvement Area. The Rate and Method of Apportionment was amended in 2009. On April 12, 2016 the City Annexed Improvement Area E, consisting of 74 detached single family residential properties into the District.

The District is comprised of a portion of Canyon Hills, a planned residential community in the western portion of Riverside County (the "County") covering approximately 2,050 gross acres. The District includes the development of 50 planning areas containing a total of approximately 1,022 net acres. The areas designated for single family dwelling units contain approximately 780 acres. The area designated for multi-family dwelling units including detached condominiums contains approximately 93 acres. The area designated for commercial uses consists of approximately 31 acres.

Two Improvement Areas, Improvement Area A and Improvement Area C (the "Districts") were included in securing bonds described below.

### *Improvement Area A*

The development of 599 homes within Improvement Area A started in January 2004 and is now completed.

### *Improvement Area C*

The District is authorized to fund the planning, design, permitting and construction of public infrastructure consisting primarily of street, sewer, water, storm drain and park facilities, as well as the funding of certain City and Elsinore Valley Municipal Water District fees. The development of 440 planned residential units within Improvement Area C has been completed.

### *Location*

Canyon Hills is located in the southeast portion of the City to the south of the City of Canyon Lake. Improvement Area C is located near the intersection of Hillside Drive and Canyon Hills Road, one mile southeast of Railroad Canyon Road. Improvement Area A is located near the intersection of Canyon Hills Road and Railroad Canyon Road, approximately 2-1/2 miles east of the Corona Freeway (I-15).
